FOR IMMEDIATE RELEASE - April 2, 2026

## **Community Partners Relocating Chestnut Street, Dover Community Mental Health Operations to 7 Works Way in Somersworth**

**Somersworth, NH** - Community Partners will relocate its Chestnut Street, Dover community mental health services to a newly renovated facility at 7 Works Way in Somersworth on Monday, April 20. The building features ample onsite parking, accessible entrances and restrooms, larger waiting areas, and convenient access to COAST Route 12 for public transportation.

Renovations are underway to transform the former Salmon Falls medical office into a modern space designed specifically for mental health services.

“Our move to Works Way represents an exciting new chapter for Community Partners,” said Christopher Kozak, President and CEO. “This facility will strengthen our ability to serve the community in a fully accessible space that supports long-term program sustainability.”

All services and staff teams will continue without interruption during the transition.

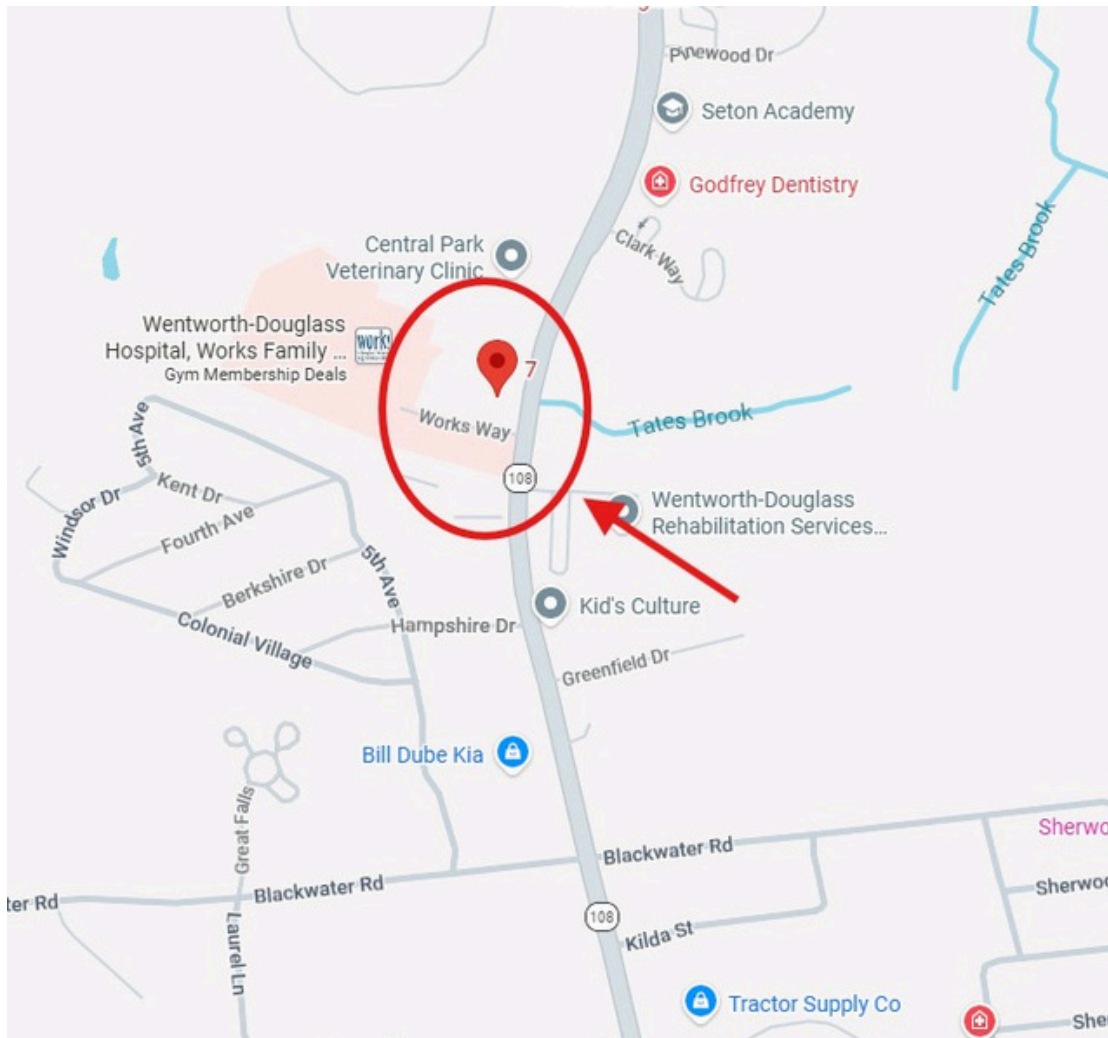

For more information, please contact Community Partners at 603-516-9300.
